

Disposer with Stopper

400 Grade Stainless Steel

SS400

Jomar's disposer with stopper fits all models of InSinkErator® and is compatible with disposers that have similar dimensions and specifications. The SS400 utilizes a 400 grade stainless steel construction and provides a positive leak-proof rubber seal every time.

| No. | Materials | |
|-----|---------------|----------------|
| | | 305-400 |
| 1 | Stopper | SS430 |
| 2 | Rubber Washer | BUNA-N |
| 3 | Body | SS430 |
