

Lead Free Brass Boiler Drain

Compression Connection, 125 WOG

T-623G

Features

- Alloy Dezincification Resistant Brass
- Wetted Surfaces Contain Less than .25% Lead Content

Approvals

- Lead Free Compliant
- IAPMO Certified - NSF 61 & ANSI 372
- ANSI B1.20.7

Pressure Rating

- 125 WOG

Material Specifications

No.	Part	Materials
1	Nut	304 Stainless Steel
2	Nameplate	Aluminum
3	Handle Wheel	Cast Iron
4	Stem	Lead Free Brass C46500
5	Compression Nut	Brass C37700
6	Gasket	PTFE
7	Bonnet	Lead Free Brass C46500
8	Gasket	PTFE
9	Seal Gasket	EPDM
10	Screw	304 Stainless Steel
11	Body	Lead Free Brass C46500
12	Olive	Lead Free Brass H62
13	Nut	Brass C37700
